How it works

1 Take home a book each week.
Find your child's Reading Passport in their planner.

2 Read, enjoy and revisit.
Share the book at least three times during the week. Talk about the pictures, characters and new words.

3 Sign and return.
Sign beside the book in the passport. Return the book on Monday to receive a new one.

4 Celebrate the journey!
Children receive a certificate when their passport is complete.

These books are for you to read aloud and enjoy together.

Growing confident, enthusiastic, lifelong readers.
