Autumn Reading Challenge

Created by our School Librarians

Name: _____ **Class:** _____

Dear Parent/Carer,

We are excited to launch our Autumn Reading Challenge!

As the newly appointed School Librarians, we have created 10 fun reading activities for everyone to enjoy this autumn. Whether children are sharing a story, listening to a book, reading independently or discovering new facts, every reading experience counts.

Children who complete all 10 challenges and return their sheet by **Friday 6th November** will receive a certificate in assembly to celebrate their achievement.

We can't wait to hear about the books you have enjoyed reading this autumn.

Happy reading!
